BETTY LISTER, CITY RESIDENT: REQUEST FOR COVERED DITCH

Mayor Dafoe asked Betty Lister, City Resident, to address the City Council regarding a request for a covered ditch.

Mrs. Betty Lister addressed the Mayor and City Council and requested that an open ditch that runs along their property located at 300 West 267 South be covered. She said that weeds are a major problem every year and easily spread and blow onto nearby properties. She said that there is only one water user at the end of the ditch and questioned the feasibility of the ditch for one user. She requested that the City lay pipe and cover the ditch.

Several other residents that live in that area spoke in favor of a covered ditch and also requested that the City provide more weed control within the City.

Public Works Director Neil Forster said that the above mentioned ditch is approximately 1200 feet long, and the cost of pipe for that ditch would cost approximately \$7,000 plus labor for installation.

Discussion was held as to whether or not the City is obligated to continue to provide water to one user along that ditch. Mayor Dafoe said that they would have Attorney Richard Waddingham research the issue.

Also a written request from Mary Crafts was submitted to cover a ditch that is located north of the Palomar Ball Fields.
